**POP-UP PFIZER COVID VACCINATION CLINIC FOR CHILDREN AND LOCATION CHANGE FOR
UPCOMING WEEKEND CLINIC**

Oneida County Health Department is hosting a Pfizer (new 2023/2024) COVID vaccine clinic for children ages 5-11 years old, from 3:30pm-5:30pm on **Friday, October 20, 2023 at The Oneida County Health Department**. Appointments are required. Call 715-369-6111 to schedule an appointment or to get more details. Is your child uninsured or do you have a high deductible? Call to speak to one of our nurses as we may have options available for you.

Please be advised there is a location change for the flu and COVID vaccine clinic location on **Friday, October 20, 2023**. **The location** has been changed from Grace Foursquare community building to **The Oneida County Health Department** 8:30 am – 4:00 pm. Adult flu vaccines to be offered for adults on Friday, October 20th include:

Flu vaccine(s):

- 1. Fluzone Quadrivalent Influenza Vaccine:**
 - ✓ Available for ages 6 months and older
- 2. Fluzone High-Dose Influenza Vaccine:**
 - ✓ Available for people 65 years of age and older.

COVID-19 vaccine(s):

- 1. Moderna**
 - ✓ Available for ages 12 years and older
- * The CDC recommends everyone ages 6 months and older get an updated COVID-19 vaccine to protect against the potentially severe symptoms of COVID-19 this fall and winter.

OCHD accepts several types of insurance. Private pay via cash, credit, and check is also available (additional charges will apply when using a credit or debit card). Please check with your insurance in advance to make sure COVID vaccinations are covered at OCHD for you and/or your child. The following insurance can be billed for vaccines:
