Comments:
<p>1) Talked with Bill about the potential for different types of inspections, either virtual, in-person (in-buildings and staying exclusively out of the buildings), or using this year as the first of a three-year cycle that is currently proposed in the new Rec-Ed Camp code, for inspections.</p> <p>2) At this time, since the Camp has done so much to keep a "Bubble" this year, this year will be used as the first year of a three-year cycle for camp inspections.</p>
